INSIDE A BARELY LEGAL GIRL

Hey! It's me, Lindsey. You guys, Christmas is coming—and so am I! Whatever did I do to deserve these ho-ho-hotties? I must have been a very naughty girl. :)

I mean, you have to be very bad to find a little four-eyed trouble-maker like Taylor Renee under the tree. A good girl would *never* get a tiny teen anal-sex fiend like Chloe in her stocking. And Santa wouldn't have given me Nikki, the cutest, naughtiest girl of all, unless I was on my absolute worst behavior all year round.

Yep, I'm definitely high on the naughty list, but I'm going to do one nice thing. I'm going to share my little packages with you—but only if you've been naughty, too. Have you? ;)

Hey, it's Lindsey. I don't know if I ever told you guys this, but I have a serious thing for girls with glasses—and high school senior Taylor is the cutest girl with glasses I've ever seen!

Hey, Taylor! I can't believe this was your first nude shoot ever.

Did I do all right?

More than all right! Did you practice at home in front of the mirror or something? LOL!

No, but I *have* practiced getting naked in public.

Fully naked?

Just my boobs. I like to flash 'em.

They're pretty nice.

Thanks! I think they're definitely meant to be shared with the public. :)

Is that why you decided to try nude modeling?

Partly. But I mostly wanted to do it because I don't ever want to be boring and normal.

You're definitely not boring—but you *do* look a little nerdy. I mean that as a compliment!

I have my nerdy side. I love to read and play videogames. But I'm the wildest girl in my high school.

What's the biggest trouble you've gotten in?
When I got caught having sex on the football field. That landed me three weeks' detention.

Was the sex at least good? LOL!

Yeah—but I didn't have an orgasm. :(

Why not?

Because the best way for me to come is if you kiss me slowly while fucking me. My pussy can't be rushed. Or interrupted!

What turns you on the most?

Bite my neck and touch my boobs.

What's your favorite position?

Doggy-style.

Where do you like guys to come?

On my boobs.

What kind of guys do you like?

I tend to like nice guys. Sweethearts.

Aren't they too boring for you?

No. I like to be with a nice guy and get him to break rules. It's exciting.

What's the wildest thing you ever got a guy to do?

Fuck me in a church.

While people were praying?!

trouble!**

A woman with brown hair and glasses is posing outdoors. She is wearing a blue short-sleeved crop top and yellow underwear. She is looking back over her shoulder at the camera with a smile. Her hands are placed on her buttocks. The background consists of lush green foliage and a small stone Buddha statue on a pedestal to the left.

It wasn't *during a service*. It was after hours. Still—it was extra spicy. I love forbidden sex.

What's next for you?

Mmm—anal sex in a church!

Besides that?

To maybe do some more modeling—and definitely *not* stay out of trouble. ★

ANNIVERSARY 2013 PANTY CONTEST WINNERS!

D.A., S.P., and Big Al, your letters made us hungry in our tummies AND our coochies. Congratulations, guys!

Hi Lara,

First, your beauty is awesome, from your eyes to your smile to your hair to your body. Your breasts are so perfect and your mouth so seductive and your vagina is again perfect. When I turned to page 10—WOW! I had to right then do you with my tongue and doggy-style, even though it's just paper. (Yes, Lara, I masturbated.)

Then to page 13—you can come on my face anytime. Flip and it's page 16, worth a thousand kisses anywhere you want. What a clit. What a seam. I can't find a bad spot anywhere.

Since that day I've cut those pages out, and I place them in the coming *Hustler* and BARELY LEGAL mags so they're always on top of the magazine stack.

The only thing that a girl has wanted and I've not done is lick the butthole. I told myself I wouldn't do that and have not crossed that line, but Lara—you could talk me into crossing the line.

With Lara's panties, I'm going to make a neckerchief for my chef attire. Lara, you make me melt. If you ever need a personal chef, it would be an honor to be that chef.

Hello Alexis and BL,

I am a new subscriber to the magazine. I'd like to win your panties for three reasons. One of them is obvious: Alexis, you are hot! I think it would be great to own something that's been close to you, and you really can't get much closer than that.

The other two reasons were a pleasant surprise to me. I was looking through my first issue, as was my wife from over my shoulder. (She enjoys the pictures as well.) I was reading

about this contest, and she said, "If you win, I'll bake you some cookies wearing just those panties."

So if you pick me, not only will I get to see my wife wearing something that a BL model had on, I will also get homemade cookies!

Dear BARELY LEGAL,

As soon as I saw that Laurie's sexy red panties were up for grabs, I immediately put pen to paper and hoped I could come up with the winning entry.

To me there's always been something special about Spanish girls. I adore their beautiful long, black hair, those dark brown eyes and complexions that do far more for me than an equally beautiful blond girl would. I believe all female humans are beautiful—just some are more beautiful than others.

Laurie is the kind of girl I'd like to meet and perhaps marry one day. But since I know I never will meet her or a similar beauty, I'd at least like to possess something that has been close to her body, like her sweet panties.

I will either hang the panties from my rearview mirror or, to preserve the essence of her aroma, try to freeze-dry them, and hope that the great smell will stay in them for years to come.

**Big Al
Maryland**

Dear BARELY LEGAL,

I have been a subscriber to your wonderful publication for many years, and have had many happy moments looking at and fantasizing about the youthful beauty gracing the pages. Granted I will most likely never have the opportunity to be with a lovely young woman, since I am 57 years old, but the fantasy is a reality.

There have not been any girl-girl pictorials in your magazine lately. How come? Am I the only dirty ol' man that loves to see two—or three or more—lovely young women doing each other? Cannot imagine that is the case.

Nothing sexier to me than that, especially when they pay attention to the bum. Let's see more girl-girl pictorials.

**G.S.
Wisconsin**

First, G.S., lots of girls (including me) like older guys, so never say never!

Second: We only like to run girl-girl pictorials that are super hot and real, and those are hard to come by...until now! Next month, in our January 2014 issue, we have one of our cutest girls ever, Jenna J. Ross (May 2012 and January 2013), hooking up with gorgeous porn starlet Kiera Winters. The photos are on my desk right now, covered in my drool. LOL! I can't wait until you see them!

—Lindsey

Good morning, Lindsey and all,

Congratulations!! Twenty years of excellence. What an achievement.

Your 20th Anniversary issue is great. Every girl from cover to cover is breath-takingly gorgeous. But I want to comment especially about the video that came with the magazine, *BARELY LEGAL #127*.

There are five scenes featuring five girls, and they are all thrilling. My favorite parts of each scene are the oral portion and the final cum shot. I am amazed at the oral talent of each girl. But I have a confession to make about

LAURIE

Lacey Leveah's scene, which is my favorite.

I usually fantasize that it is my cock that the girls are sucking and that it is my cum that shoots into their mouths and drips down their chins. But when I saw Lacey the first time around, I actually found myself getting jealous that it wasn't, in fact, my cock and my cum. She is so wonderful that I couldn't help feeling jealous of her male partner.

I know that makes me seem like a silly old man. In my favor I must add that about the third or fourth time that I watched Lacey's scene, I had recovered enough to do what I usually do: enjoy the scene and fantasize that it was indeed me there with Lacey.

Thanks for a great magazine and an even greater video. Please convey my compliments to Lacey.

**R.N.
New Jersey**

Not silly at all, R.N.! I totally get jealous (in the opposite way) when I watch our movies—specially if the scene is with Otto Bauer. Yum!

Anyway, I will definitely tell Lacey what you said—unless you want to wait and tell her yourself after she appears in the magazine. Yep, look for Lacey in BL in 2014!

—Lindsey

Dear BARELY LEGAL,

I'd like to thank you for the Anniversary issue. Congratulations on 20 years of lovely ladies and future adult stars. In this issue, like all the rest, all the ladies looked hot, innocent, sexy, and alluring. Three of the ladies really caught my eye:

Melissa. I wish I was going to college with her. I'd love to experiment with her mouth, pussy, and amazing ass.

Alexis Tyler. That face, those eyes, that perfect ass, smooth, shapely legs, perky tits, and inviting, tasty-looking lips (not the ones on her face) make my mouth water. She's amazing!

Jay Taylor. She looks so sexy in those glasses. I think she is amazing. Her smile, innocent look, pointy nipples, sweet-looking pussy, and squeezable, spankable ass would be pure heaven to enjoy. Anytime Jay wants to lick my balls or let them slap her chin, I'm ready.

I look forward to another 20 years of special, sexy, and horny ladies.

Your loyal hard-cooked fan,
**S.C.

Me too, S.C.! :) —Lindsey

Hello, everybody! It's Stacy the intern. Glamour model Dalia is so curvy, she makes me look like a boy—and she makes me want to be a boy.

Dalia, your body is insane.

Thanks, I like it—*now*.

When did you not like your body?!

When I was in junior high. I developed way before all of the other girls, so they said I was a slut. I never even *kissed* a boy!

Did things get better in high school?

No, because I just kept growing. I was so self-conscious. I wore, like, the baggiest clothes ever.

Were girls still being mean?

Yes, and guys said stuff, too. The worst was when we had coed gym classes. I hate trampolines to this day.

When did you start liking your body?

Not until college, when I had sex for the first time. I finally realized, my body is sexy, and there's nothing wrong with that.

What made you decide to be a model?

I hid my body for so long. I decided to do the exact opposite.

For that I thank you. On a totally unrelated note: Do you like girls?

LOL! No, sorry. I love men.

Damn it! Probably just as well—I don't think I could handle your body parts.

Oh, I'm easy to handle. I come just like that. [*Snaps fingers*.]

What's the best way?

If I'm on top, grinding, and you squeeze my tits.

Both at the same time? Is that physically possible?

It is if you have big hands. I *love* men with big, strong hands.

Do you like to have your pussy licked?

Yes. You *barely* have to lick it. Just give it little butterfly kisses and I'm coming.

Do you like to give head?

I love it. When I have a boyfriend, I suck his cock every day. Unfortunately, I'm single at the moment.

How can a guy get with a goddess like you?

I'm not a goddess, I'm a girl! Just come over and say hi.

What if they say, "Hi, I like your tits"?

I'll say, "I like them, too. Now talk to me for real, and we'll see where this goes." ;) ★

short **BUTT** sweet

PHOTOGRAPHY BY MATTI KLATT

Hey, it's Lindsey. Rising porn starlet Chloe is barely bigger than a boner—but that doesn't stop her from trying to squeeze plus-size penises into every hole!

Chloe, you're so tiny. You picked kind of a crazy profession.
I know! Every time I take on a huge dick I'm surprised it fits. But it always does. My body never lets me down no matter how hard I push it.

Do you work out a lot?

No, but I run, hike, ride my bike, and play tennis and golf. And fuck!

What do you think is your best physical feature?

My nipples. They're almost always hard.

Why, are they sensitive?

Very! I love when guys suck on them and make them all shiny.

What turns you on the most?

Play with my ass. Slap the shit out of it.

What turns you off?

A day without sex.

Do you like to give BJs?

Yes! I love to drool all over a cock then choke on it.

Do you swallow?

Mmm, yes. Wash my mouth out with cum. I've been a bad girl. :)

Oh, my! What's your favorite position?

Bouncing on top.

What's the best way for you to come?

Having a big, hard cock throbbing inside my pussy gets me every time.

What about inside your butt?

Yesss! Cram your cock in and pound me and pull my hair! I still can't believe a little thing like you can handle butt sex.

Believe it! My asshole is very tight, but when I'm dripping wet I can handle anything.

What's your favorite place for a guy to come?

All over me. I love jizz! I want to fuck until we pass out all tangled together and covered in cum.

You really were meant to be in porn.

I know! It's my dream job—and I intend to make my mark. You'll see! ★

Good day, gentlemen! Abby the intern here with brainy hottie Marilyn, a psychology student specializing in—ooh!—human sexuality.

Hey, Marilyn! Did you like posing for us?

Yes, I was very flattered to be asked. I love your magazine.

What do you think is your best feature?

I like that I'm built almost like a man on top, but very womanly on the bottom. My body is unpredictable, like my sexuality.

How is your sexuality unpredictable?

It's fluid. Sometimes I prefer men, sometimes women.

What do you think is the sexiest part of the body?

On a woman, definitely the ass. I mean, of course the pussy is important. It's the center of everything. But the ass—picture a woman wearing high heels.

Okay!

The heels make her thrust her ass in the air, like she's presenting. As if she's an animal, inviting the opposite sex to fuck her. It's primal. **Did you learn all of this in class?**

Some. I've also done a lot of independent study. :)

What do you look for in a man?

I like aggressive men. Outside the bedroom, I come on kind of strong, but in bed I'm very submissive.

How do you like to be fucked?

From behind, very fast and rough.

Do you like anal sex?

Anal sex is incredible. That's when I feel most in touch with my animal nature. I yell and scream. I have no inhibitions.

It sounds exciting! I like anal, too, but I think I still hold back a little.

When I open my sex therapy practice in a few years, you come see me. I'll get you to yell and scream.

I can't wait! ★

NIKKI

PHOTOGRAPHY BY JOHN EMSLIE

Hey, it's Lindsey. Blondes might have more fun, but redheads are the naughtiest—just ask Nikkil!

About me: I'm a college freshman, majoring in fashion design, and my favorite things are boys, clothes, boys, shopping, boys, '80s movies, boys, swimming, and boys.

Reason for posing: I want to do all kinds of modeling, but I'm starting with nude because it's the hardest. I like to challenge myself.

Best physical feature: My lips. They look pretty wrapped around a penis—or so I've been told. :)

Romantic status: Single—and *always* ready to mingle.

First thing I notice about a guy: If he has a sense of humor. This is very important!

Biggest turn-ons: Soft kisses and hard cocks.

Biggest turn-off: Cranky people.

Most sensitive body part: My nipples. Pinch them and see what happens.

Favorite way to masturbate: While watching Daniel Tosh. *Mmm...*

Favorite position: Either doggy-style or anal. I can never decide. They both feel so good!

Spit or swallow: Swallow. It's a yummy, lo-cal snack.

Naughtiest habit: Having sex in my dorm room while my roommate is there. I'm sorry, but she never leaves. Does she want me to *explode*?

Best sex talent: Everything. The redder the head, the better in bed!

To bl or not to bl: I'm 90% into guys, and 10% into playing naked Twister with girls.

Best way to come: Lick me until I beg you to stop—but don't stop!

Favorite place for a guy to come: On my titties. I'm hoping it makes them grow. :)

Wildest thing I've ever done: Had sex in a hotel pool in broad daylight.

Favorite fantasy: I've never had a threesome, if you can believe it. I've gotta do something about that!

Ultimate goal: To be a successful model and designer. My dream is to model my own clothes someday. ✨

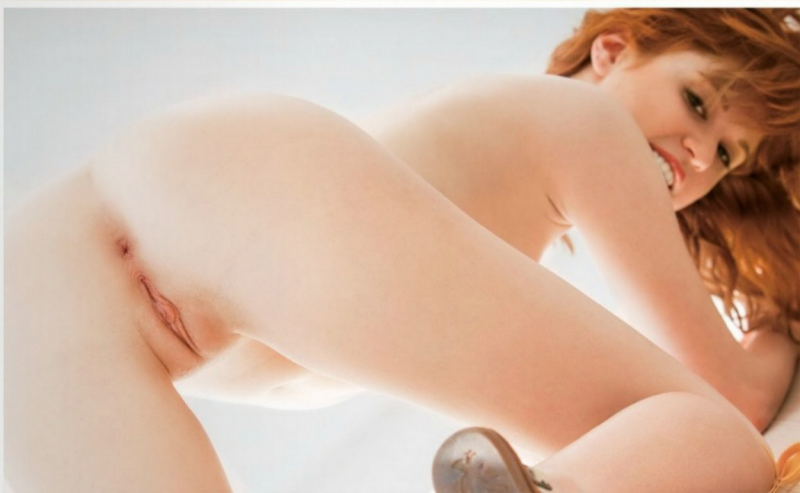

You decide!
Love,
Nikki

TAKING ONE FOR THE V-TEAM

A BARELY LEGAL DIARY
BY CLARISSA LEE

Hi, friends! I'm so excited! What an honor to be featured in BARELY LEGAL.

I turned 18 this year and finished high school. I liked school (I miss my cheerleading team and art class), but I'm ready to move on. I'm not quite sure about the college thing, so for now I'm focused on working. I got a job this summer at the animal shelter, and I love it. I don't make much money, but what could be better than taking care of kitties and doggies all day? :) I'm enjoying my job and making new friends.

For the most part, I'm a traditional girl. I love keeping house. I love to cook. I can imagine being very happy just meeting a good man and settling down, staying home and raising a family. Also, I don't really believe in sex before marriage. But you guys—it is sooo hard to resist. So I've been exploring a few things to tide me over until my future honeymoon.

Hope you enjoy my adventures! xoxo

August 19

I met the coolest girl at work today. Her name is Ashlynn and she is awesome! She wants to go to veterinary school. She's really smart! We're going to hang out later this week.

I love making new friends!

August 22

Ashlynn and I went out for pizza last night. It was so much fun. We laughed a lot. Then she invited me to her place, and the craziest thing happened.

We were talking about life and stuff. She asked me if I had a boyfriend, and I told her no. I had one for a while in high school but he dumped me 'cause I wouldn't go all the way.

"Guys can be so lame," she said. "I like girls better."

That threw me off for a minute. Was she telling me that she was gay? She looked at me and smiled.

"Have you ever been with a girl?"

"Um, no."

She asked me if I wanted to try.

My first reaction was to freak out inside a little bit. I mean, hello, I am not homo! But I have to say, there was something about Ashlynn that made me feel funny, and not ha-ha. Like, lezzie-funny. She is so pretty. Emma Stone pretty. Before I could think too much, I blurted it out.

"Okay."

PHOTOGRAPHY BY SAGECHICKS.COM

Ashlynn grinned and went straight for my chest. "I wanna see your tits," she said, lifting my T-shirt and popping them out of my bra. She was so forward!

"Mmm."

She licked my nipples, and they were immediately all, *sprong!* She lifted my boobs, squeezed them together, and sucked them. My clit swelled up. Wow. My ex-BF *never* made me feel that way from touching my ta-tas. He'd just paw and squeeze too hard. Ashlynn's touch was so sensitive.

Her hand crept down my belly. She unzipped my jeans and pulled them to my ankles. I was still in my panties. She buried her head between my legs and sniffed my crotch.

"Smells sooo good," she sighed.

I always worried my coochie was too, like, spicy, but obviously she liked it.

words, but I was out of my head. I pulled her hair and mashed my pussy hard against her face.

"You're making me come," I panted. She licked me faster and harder. A giant orgasm welled up inside of me. I wrapped my legs around her neck. My toes curled.

"*Omigod omigod yeahhh!*"

I totally spazzed. My pelvis went, like, everywhere. I flopped over on the sofa, exhausted.

Ashlynn crawled up next to me. I put my head in her lap. It was a tender moment. But I'm still not a lez.

August 23

I got sooo horny today thinking about how hard I came last night. I had to play with myself. Is it weird that I watched myself do it?

Ashlynn's nose tickled my clit. I was getting way wet. She slid my undies down. I kicked them off along with my pants. She grabbed my panties and huffed them. What a pervert—LOL!

She pushed my thighs apart and pressed her mouth against my pussy lips, kissing them, and flicked her tongue against my clit. I rocked my crotch against her mouth and wound my fingers in her hair. She stuck her tongue in my hole and wedged her hands under my ass, squeezing my butt cheeks.

"You taste amazing," she mumbled, pushing her tongue deeper into me. I arched my back and squeezed my boobs.

"Oh, fuck," I moaned. I don't normally use a lot of cuss

I turned on the photo booth on my computer so I was live onscreen. I peeled off my top and played with my boobies. They're big enough that I can lick them myself. :D I flicked my tongue against my nips. It was pretty hot to watch myself do it. I wiggled out of my shorts and undies. I spread my legs. Maybe I'm conceited, but my pussy is pretty cute. I like looking at it.

I was all slippery. I ran a finger between my lips and jiggled it against my clit. Juice dribbled out of my coochie and between my butt cheeks. It was all hot and wet, and I was like, *Hmm*. I've never played with my butthole, but I had the urge to do it. I tickled my toot. I felt so dirty for doing that, but it felt

great! I swirled my thumb against my pussy while I massaged my booty hole, all the while still watching myself. It was too much. I had to come.

I frigged faster and harder. My face burned, my nipples tingled. Then, *ahhh!* A serious orgasm.

I think I'm turning into a sex freak!

August 26

The cutest guy came into work today and adopted a kitten. I helped him pick her out. He named her Scooter 'cause she's so frisky. Then he asked me out. «O I said yes and gave him my number. His name's Trent, and he is so handsome! I think he's a little older than me—30 maybe? But that's good 'cause most guys my age are immature. He seems so sweet. Anyone

who cares about animals has to be a good person. Can't wait for him to call!

August 29

OMG. Amazing date last night. Trent is so much fun to be with. Plus he has an amazing penis. LOL!

I wasn't planning for sexy stuff to happen so fast. I just felt so, like, into him.

He took me for a really nice dinner. Italian food—my favorite! We went on a walk through Discovery Park—so pretty and romantic. We sat down on the beach. The moon was huge. It was like a movie or something. He held my hand.

"You're beautiful," he said.

I felt myself blush. He wrapped his arms around me and pulled me close. I slung my legs over his and pressed my thighs against his crotch. I wanted to feel him. He had a boner. I liked the way it throbbed against my legs. I rocked against him.

"You're turning me on so bad," he said, stroking my back and neck. It gave me goose bumps. I rubbed my lips against his ear.

"Can I help you with that?" I whispered.

"Yeah."

Trent unzipped his pants and *SPROING!* What a penis! Thick, long—it felt good in my hand.

I'm so not experienced. I mean yeah, my ex-BF and I messed around some, but it never felt quite right. There was something about Trent. It's like my instincts kicked in. I wanted to suck him. I kneeled down between his legs.

"Oh, yeah," he panted, wagging his boner in my face. I stuck out my tongue. He slapped his dick against it. I wiggled my tongue against his dick hole and kissed his tip. It was slippery and salty and delicious.

"Put it in there," he said, pushing the head into my mouth. I opened wide and wrapped my lips around his shaft. He slid his cock in until it nudged my throat. It felt good.

Trent moaned. He pumped his hips and slid his hand down my shirt, cupping my tits. I liked feeling them jiggle in his palm. His dick got even harder. Then it, like, flexed.

"I'm gonna come in your mouth," he moaned. *Splooosh!* He blew a huge load down my throat. I didn't have a choice but to swallow. Which is cool. I don't think I believe in spitting. Swallowing is way more intimate.

We rested on the beach, my head on his chest. So romantic. I hope he calls me again.

August 30

Trent wants to go out tomorrow night. Yay! He's taking me to this super nice steak restaurant. How did he know that a big slab of rare beef and a giant baked potato are two of my favorite things? Finished with a brownie sundae. :D

August 31

What a night. What happened? Completely unexpected.

After dinner, Trent and I went back to his apartment. He brought me a glass of wine. I never drink but, hey, why not try? We listened to some soft R&B music. He put his hand on my knee.

"I'd like to see you naked," he said. Just like that.

I felt so warm and relaxed, it didn't even faze me how forward he was being. So I was like, "Okay."

He undressed me. It was hot to feel him peel my clothes off and run his hands up and down my body. Soon, I was full-on buff. He stroked my hair.

"Can we go to the bedroom?" he asked.

"Okay."

We stretched out on the bed. He kissed me. His hands wandered down my body. He rubbed a finger against my pussy.

He nudged the tip of his cock against my tooter. He spit on his fingers and slathered his saliva all over his dick and my butt. Slowly, he pushed his way in. I took deep breaths and kept my ass relaxed.

"Mmm," I sighed. "Keep going."

Soon he was in me all the way. It was the strangest, greatest feeling. He grabbed my waist and started pumping. I dug my fingers into the sheets and bit my lip. Everything inside me felt like it was vibrating.

"Keep doing that," I moaned, rolling my hips. He glided back and forth.

"Aww, fuck," he wheezed. "It's too good. I can hardly take it. I want you to come, too."

"I will," I said. I pressed my head into the pillow and rubbed

"I want to feel what it's like to be inside you," he said. "In your pussy."

My heart leapt.

"Trent," I said, "I don't mean to be a prude, but I'm waiting till I get married."

He squeezed my butt cheeks.

"There are other holes. You can save your cherry."

He tickled my butthole. My pussy swelled up. You know, thinking about full-on anal with a peen, I always figured I'd be kind of afraid. But now, I wanted it. I got on my hands and knees and wagged my heinie.

Trent licked my toot. OMG, I had no idea how great that feels. It made my pussy drip, like, instantly. He rubbed my lips, slid my girl-goo up and down my slit. I was ready.

"Please," I said. "Go ahead. Put it in me."

my cooch. It wasn't going to take long. It was welling up. This orgasm, it was so different than anything I ever felt before.

"Ahhhhhhhhhh!!!"

I came *hard*. Trent was thrusting and moaning. He pulled his dick out of my butt. A hot load splattered my cheeks. It was huge. It dripped down my thighs. We collapsed.

"God," Trent gasped. "That was amazing."

And it was. How awesome is it that I can try stuff and still be a V?

September 1

Well, I think this August was the best month ever. I look forward to settling down one of these days (who knows—it could be with Trent!), but for now, it sure is fun to get a little crazy. ★

CHRISSY NOVA

white hot

It's me again, Abby the intern. Naughty Chrissy dropped out of college to pursue a career in porn. Good thing, 'cause I *don't* think college boys could handle her!

Hey, Chrissy! What made you decide to go into porn?
I love sex—like, a *lot*. I'm a total freak in real life, so why not do it for the camera?

Why not? Do you like modeling, too?

I do. I've never felt like I was, you know, Barbie-pretty. But posing nude has given me lots of confidence. I'm different-looking and I like it!

Where did you get your looks from?

From being German, Irish, Native American, and Swedish. It all adds up to me!

What turns you on the most?

Nice, firm hands giving me a massage.

What's your favorite sexual activity?

I love to give sloppy blowjobs—especially if another girl joins in.

Ooh, you like threesomes?

Yeah! I love sharing a nice, juicy cock with a hot girl. The only hard part is deciding who gets to swallow. :)

Have you ever been with two guys at once?

No, but I've been with two girls. That's fun for me, 'cause I *love* to eat pussy.

What's the wildest thing you've ever done? ----->

I was with a guy and a girl, and the girl stuck a dildo up my butt. Made me think I might want to try a real penis up there someday.

What are your other goals?

To make tons of movies, and to pose for you guys again—if you'll have me. We'll see. :) ★

Twenty-year-old **Odette** from Gadsden, Alabama, is a very nice girl. Not only is she Santa's helper, but she is "dedicated to saving the world," works in a vegetarian restaurant, and hopes to be a pediatric doctor someday. Still, this 5-2 cutie makes time for naughty stuff—very naughty stuff. "I love it rough," Odette confesses. She also favors doggy-style and "kinky things like spankings and pulling hair," and one EXTREMELY naughty night, little Odette did "69, a facial, *and* anal." (Santa is very conflicted right now.) We love Odette so much, we *hate* that people were mean to her the first time she went to a nude beach. "Everyone was staring at me," she recalls. "One girl even pointed. I was so embarrassed that there might be something wrong with me that I ran into the water and stayed there for hours." Odette, those naughty people don't deserve a cute little package like you. Thank you for being our favorite Christmas present ever!

BRACE YOURSELF: THESE GIRLS ARE HOT

HUSTLER Video. Starring: Kaylee Hilton, Chi Chi Medina, Honey Dejour, Evilyn Fierce, Nicki Blue, Billy Glide, Kurt Lockwood, Kenny, Otto Bauer, and Eric John.

I know from experience that braces can take some of the fun out of BJs, especially if you're new at giving them. (My poor high school boyfriend!) But you won't find any cheese graters in this collection—these girls are *awesome* at sucking (and fucking). Kaylee Hilton is an adorable, squeaky-voiced blonde applying for a scholarship, and she gets a full ride—on Billy Glide's boner, that is. I don't know how she squeezed that whole thing in her tight coochie! My favorite part is when she blows splooge-bubbles through her tinsel teeth. So cute! Chi Chi Medina is a gorgeous Latina with an amazing ass. Her bubble butt bouncing on Kurt Lockwood had me hypnotized. If you're more of a tit man, you will be drooling over Honey Dejour. Her boobs are big and luscious, and topped by the sweetest little milk-chocolate nips. Watching her juicy jugs jiggle made my clit pop right through my panties. And you won't *believe* the huge load she takes in her face. She smears it all over like it's a miracle cream from Sephora. LOL! Evilyn Fierce is a precious brunette who's into studying philosophy and having her pussy pounded. All that contemplating the meaning of life has obviously taught her what's important: a nice, hard cock! In the middle of giving it to her good, Otto Bauer takes the time to sniff her panties. I bet they smell yummy! Nicki Blue is a poor little runaway who gets busted by mechanic Eric John for spending the night in his garage. He's super mad, but she lets him do her deep in the butt, and all is forgiven. If you're into ultra-cute brace faces who love cock, be sure to check this movie out!

LARA

undercover lezzie

PHOTOGRAPHY BY BOB TWIGG

I'm curious, but definitely not *bi-curious*," shapely, legal Lara explains. "I had a report due in Mr. Egger's sociology class. We had to report on a subculture of society. I was going to do trans-gender homeless people, but it sounded too hard, so I chose to investigate lesbians. Dykes make me sick, but I don't want to fail sociology, so I headed to the school gym.

"In our school, all the jock-dykes on the lacrosse team hang out in the locker-room after practice. No straight girls are allowed. I felt all

covert sneaking in with my notepad. I hid in an empty shower stall and spied on the girls while they undressed. They weren't as hideous as I'd imagined. Some of them were kind of hot—I mean, for sexually deviant freaks.

"Mr. Eggers told us to include a lot of details, so I took notes on Donna Walbert's firm, luscious knockers. I could practically smell the little drops of sweat dripping off her nipples. I studied Mary Crumwell's tanned, toned calves

and noted how my pussy flooded with warmth when Mary guided Donna's big melons into her bra and kissed Donna on the neck.

"It sucks that I can't use any of it for my paper. When Donna ripped back the shower curtain and found me hiding there, I couldn't be an impartial observer anymore. Lezzies do such sick things to each other, they'd totally expel me if I wrote about it." ★
